P.S. Thanks to the young lady
who sent me the pic of the
3 of us on Facebook. Paulina, I
believe, but I can't be sure
until I get to an actual
computer in the States. I
love the pic and it will always
remind me of my time in
Poland and Krzepice! "

Dear Youth,

Thank you so much for your
hospitality! I very much enjoyed
learning about your efforts to
teach your neighbors about
your village's Jewish heritage.

Thank you for what you are
doing. Please always take this
learning and these experiences
with you into the world.
Hate is ugly and you, unfortunately,
will see it in your lives. Be
strong and kind always. Life is
life, people are people and
we are all one. Many Blessings.

Rabbi Tiferet.
